RAGTIME, Directed by Fracaswell Hyman

June 22, 2023 - July 2, 2023

Based on the novel of the same name by E.L. Doctrow, Ahren's and Flaherty's Ragtime is a compelling epic capturing the American experience at the turn of the 20th century. Tracking three diverse families in pursuit of the American dream in the volatile "melting pot" of turn-of-the-century New York, Ragtime confronts the dialectic contradictions inherent in American reality: experiences of wealth and poverty, freedom and prejudice, hope and despair. Over the course of the show, the worlds of a wealthy white couple, a Jewish immigrant father and his motherless daughter, and an African American ragtime musician intertwine. Together, they discover the surprising interconnections of the human heart, the limitations of justice and the unsettling consequences when dreams are permanently deferred. Featuring many of the historical figures that built and shaped turn-of-the-century America, including J.P. Morgan, Emma Goldman, Harry Houdini, Evelyn Nesbit and Henry Ford, this musical sweeps across the diversity of the American experience to create a stirring epic that captures the beats of the American experience: the marches, the cakewalks and - of course, the ragtime.

THE LITTLE MERMAID, Directed by Sarah Rogers

August 17 - August 27, 2023.

Based on one of Hans Christian Andersen's most beloved stories and the classic animated film, Disney's The Little Mermaid is a beautiful love story for the ages. Even though Ariel seemingly had the perfect life "Under the Sea" with everything handed to her on a silver seashell platter, she deeply desires to be "Part of Your World" and to fearlessly explore "Human Stuff" beyond her home in the ocean like forks, life, love and of course legs. Meanwhile, King Triton, Ariel's father, is not having it - something quite relatable to most parents. Oh to be one of the Daughters of Triton! But Ariel's trio of friends (Flounder, Sebastian & Scuttle) are keen to help a girl out ... of the ocean, that is! Ariel's attempt to make a reality out of her fantasy quickly creates chaos and reveals the somewhat complex relationships between Ariel, King Triton, Ursula and Prince Eric. The Little Mermaid is a story that's as relevant for grown-ups as it is for the kids, as it is a deeper story about desiring something we feel is out of reach and the sometimes agonizing sacrifices we will make for those we love ("If Only" reprise). There's also plenty of room to explore numerous ways our best friends can get us into and out of trouble.

Man of La Mancha, Directed by Ray Kennedy

August 17, 2023 - August 27, 2023

Inspired by Miguel de Cervantes's timeless 1615 masterpiece Don Quixote, the second biggest selling book in the history of the world (The Bible is #1). While far more colorful on stage, the plot is simple: Cast into prison by the Spanish Inquisition because he foreclosed on a church in tax default, author and tax collector Cervantes, his man Sancho, and fellow prisoners perform a play-within-a-play as a mock trial while awaiting the hearing. In the prison play, an elderly Alonso Quijana self-knight's his alter-ego and names him Don Quixote. The mad knight then proceeds to better himself and right all the wrongs of the world, albeit in an often comedic "unlikely hero" fashion. The world's most popular musical has won five Tony Awards. The Spanish-inflected score includes favorites such as "Dulcinea," "I, Don Quixote," "I Really Like Him," and "Little Bird"; though it is Don Quixote's personal credo, "The Impossible Dream," that is most well-known and beloved. If you've ever found yourself rooting for the underdog who's fighting the establishment (who hasn't?), you'll find plenty to embrace in this heart-warming story that encourages us to see past the insanity and imagine the world as it COULD be.

The Prom, Directed by Carson Hobbs

September 7, 2023 - September 17, 2023

The careers of four eccentric Broadway stars are struggling and they desperately need a new stage to shine bright once more. Through social media, they have heard of trouble brewing around a school prom and head straight to small town in Indiana. Local girl, Emma Nolan, wants to take her girlfriend to prom but the PTA are on a mission to keep the high school dance on the straight and narrow. Determined to transform lives and put themselves back in the limelight, the Broadway celebrities muscle in to change the town and give Emma the prom she deserves. It is joyous, funny, and sweet production that appeals to several generations reminding us there's a place for everyone beneath the Mylar balloons at a high school dance, even in conservative Indiana.
